Silent Auction Bidding from 5:00 to 6:30

To bid on a Silent Auction item, simply write your Bid Number (from the paddle you received at check-in) and the amount you wish to bid on the corresponding bid sheet. The opening bid on each item must be at least the minimum price listed. Each subsequent raise must follow the increment listed. Any bids not adhering to this format will be declared invalid and voided. Bidding is done in a progressive manner with each subsequent bidder canceling the previous lower bid.

- * Once the auction is declared closed, the last bid entered on the bid sheet that adheres to the designated increment shall constitute the winning bid and will be so marked. The Auction Committee will mediate any disputes among bidders and that determination shall be final.
- * The list of winners will be posted in the Silent Auction area.

Live Auction 6:45

Descriptions of all live auction items are on the following pages.

To bid, all live auction bidders must use the bid number paddle provided at check-in, raising it high until recognized by the auctioneer. Additional paddles can be obtained at the check-in desk. The highest bidder for any item will be the purchaser. In the event of any dispute between live auction bidders the auctioneer shall have the sole and final discretion to determine the successful bidder, or to re-offer and resell the article in question.

Auction Check-Out and Rules

If you pre-registered your credit card you can go directly to Item Pick Up to collect your item(s). You must show your paddle number. If paying by check, cash, or a credit card that you did not pre-register, go to the Check Out area where you will be presented with an invoice listing all purchases. (Visa, Master Card and American Express are accepted). Once your payment has been processed, take your paid invoice to Item Pick Up to collect your item(s).

- * Auction item purchases are final. No returns or exchanges will be issued, nor is it possible for expiration dates to be extended. All provisions listed in the certificates are subject to availability.
- * Estimates of retail value and description of items have been made based upon information provided by donors. Auction item purchases are tax-deductible only if the winning bid exceeds the fair market value of the item. The tax-deductible amount is the winning bid minus the fair market value.
- * Roeliff Jansen Community Library provides no guarantees, warranties or servicing of auction items and is not liable for any personal injury or damage to property that may result from the use of the item or service sold. RJCL assumes no liability for any loss or damage caused by any person traveling or vacationing on any of the offered trips.
